Who we are

In 1959, a group of dedicated parents founded what is now called Inclusion Langley Society (ILS).

Today, as one of the largest non-profit community organizations in Langley, ILS provides a wide range of services and supports that promote inclusion, connection and belonging.

Our vision

Inspiring a community where we all belong.

Our mission

We provide services that improve quality of life for children with developmental or support needs and adults with intellectual disabilities or autism spectrum disorder.

We build and strengthen community through information, support and advocacy.

Please feel free to contact the Family Support Advisor if you have questions or require support, information and resources for you and your family.

Family Support Advisor will be pleased to assist you.
